A CALL ON PITSER MILLER.

MR. EDITOR :- The election for Representative will soon be upon us, and it behooves the Conservatives of this county to BEGIN TO WORK. Our radical friends have already 'trotted out" their "nng," and are making strenuous and underhanded efforts to insure his election. I may be mistaken, but I feel pretty certain that the respectable portion of our citizens do not want such a man for their law maker, but would greatly prefer to have such a man as PITSER MILLER, who is known to every man in the county, to both black and white, as a man of sterling worth and ability. Mr. Miller has always been a firm supporter of the Government of the United States, and has an influence that will enable him to do much for his constituents. If he will make the race he can and WILL BE ELECTED.

Maximilion has been shot by order of army of Mexico. In view of all the surroundings, this is one of the most atrocious murders of the age, and is sufficient cause for every christian nation or people to withdraw their sympathy for the sufferings of the foolish Mexicans. A few brief years ago Maximilion came to Mexico with all the pomp and circumstance of war, backed by the proudest, and we may say the meanest nations of the old world. What was the programme?
